Sarvamangal

COMPANY INFO

SARVAMANGAL TECHNOCAST established by shri Shailesh Parsana at Rajkot - India's well developed city and hub of hardware products manufacturing.

Brand 'SARVAMANGAL' a name to reckon with quality and precision that is second to none. Since its inception years ago, SARVAMANGAL has grown on a steady pace to live up with standard of finest quality, durability and design uniqueness.

In this venture his brothers shri anil parsana and shri ashwin parsana has assisted him together with their vision and ability they have created new market potential in the country through their wide spread marketing network.

A company that endeavors to create classic hardware with experienced supervisors and trained technicians.

'SARVAMANGAL' brand products are appreciated and excerpted by renowned builders, architects, interior decorators and most the leading outlet and consumers too.

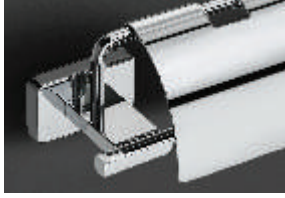

Company has own most-midern manufacturing plant with R&D section and design studio.

"Curiosity keeps us moving forward, Exploring, experimenting and opening new doors"

Here are some of the visuals of our bathroom accessories and fixtures.
